

An aerial photograph of a town nestled in a valley, with a large, snow-capped mountain range in the background. The town is densely packed with buildings, and the surrounding landscape is hilly and forested. The sky is clear and blue.

A Word From the Staff:

The 1956 VALKYRE is presented to you just as the school year occurred. There are no divisions, no division pages, no groupings of various activities, but rather a presentation of each event and activity as it happened. This presentation appealed especially to us considering our wonderful football success.

We hope you enjoy this book —

President

Now here's a tall, dark, handsome flirt,
Who's sure someday he'll hit pay dirt.

Jay Johnson

Vice President

One quarterback is handsome Jay,
He aptly calls each football play.

Janeil Fugal

Secretary

The blacks and whites she thumps with ease;
She'll do most anything to please.

Paul Anderson

Representative

One hunk of man is our pal Andy;
In everything he is most handy.

Janice Swenson

Our charming Jan did soon discover
That Pete is really quite a lover.

CHEERLEADERS

Willa Mae Williams

She sings "light" opera to her man;
She warbles true; he is her fan.

Sibyl Gines

Her bag's all packed; she's sure to go;
She's on her mark; she won't be slow.

Udene Monson
In school she never comes
to class;
Oh, what does happen to
this lass?

Lola Huntsman
From Nevada hailed this
lassie fair,
With sparkling eyes and
long brown hair.

Jimmy Cates
Jim is our boy with "Texas
drawl."
Look out, you girls, for that
"You all".

Charmene Iverson
In baseball, track, and
tennis, too
There's ne'er a girl she can't
out do.

Seniors

Frank Driggs
Old Frank has one big heart
of gold.
On him the dames are really
sold.

Kristine Fugal
If you just look around and
see
This gal for A. F. bound will
be.

Donald Holdaway
Oh, Don has one romantic
heart,
All he can see is his Gayle
Mart.

James Thornton
In class he doesn't make
much noise,
But with the ball he's full
of poise.

Mae Hallsey
Mae is a doll with her own
mind;
She seldom changes it we
find.

Jim Baxter
Now here's a bright, short
handsome fellow
Who's voice is anything but
mellow.

Carol Fraughton

For school she doesn't seem
to care;
Yet has a smile so very fair.

Jacqueline Jacobs

She is so pretty, and so fair,
We have one warning,
"Boys, beware!"

Gayle Mart

Mart means market so they
say,
So Don goes shopping every
day.

Lynn Jeppson

Oh, Lindy has a gallant
smile,
To see a gal he'd walk a
mile.

Seniors

Dolores Chorniak

There are a lot of Dede's
kind;
When school begins she's
hard to find.

Jerry Harmer

On football field he seeks
his glory;
His playing tells you all the
story.

Sharon Park

This lively lass with sparkl-
ing eyes
Is liked by all the gals and
guys.

Jay Newman

"To see Colleen I'm never
late.
With Springville cops I just
don't rate."

Guy Goff

"I watch the stage and all
the props,
So that the plays will not be
flops."

Bill Trimble

Bill is a boy who's far from
shy;
If he got in 'fore six he'd di

Dwane Sykes

Dwane has Pat and all his "pigs".
Through Farmers College he will dig.

Julia Ann Strassburg

We know this girl is very shy,
But she perhaps has speared her guy.

Jean Anderson

She sings and plays a cool guitar;
In basketball she is a star.

Janece Madsen

She grabs the ball and gives a whirl,
Then lets it go, my! what a girl.

Leon Gillman

From Lindon comes this shy young man.
He parks with every girl he can.

Ruth Wooley

You see herein a girl who's gay.
We say she always is this way.

Seniors

Jack Wadley

He charms the gals with all his grace;
In basketball he is an ace.

Elizabeth Millar

Our Liz does always do her best,
At school they never let her rest.

Farrin West

Now Einstein is his second name,
Much fame and fortune he will gain.

Janis Proctor

Oh, on her farm she works all day,
But all she does in school is play.

Joyce Carter

We think she rates a passing line
For all her poise and manners fine.

Pat Pack

She keeps them laughing in
the aisle.
She's sure that Dwane's
just her style.

Sandra Morrill

This girl knows all the
answers, honey.
Blaine thinks she's worth
far more than money.

Reed Hooley

This boy is just a ball of fire,
He drives his car without a
tire.

Rulon Hone

In school our Pete will never
be
'Cause he has other things
to see.

Gwen Lewis Beers

A fairer face you'll never
see
On one fair goddess it
should be.

Richard Peterson

She said, "You sure can
tackle, dear,
But do not practice aught
but here."

RaChel Anderson

I'm late, I'm late for one big
date;
For me my clock just will not
wait.

Marcia Ann Chipman

In fancy clothes she's al-
ways clad,
Her smile doth show she's
never sad.

Marrion Johnson

To play football he gets
a kick;
No one's as hefty as our
"Mick".

Max Ferre

"This service station work's
okey;
But I'll take girls most any
day."

Shirley Roberts

This little blond is full of pep,
There's ne'er a boy she hasn't stepped.

Nyle Shumway

We think this boy is really great;
He saved the day for us at state.

Arlen Atkinson

A pretty face, a pretty curl—
He wrecked his car as he necked his girl.

Jo Anne Gardner

A stately walk, a face that's fair,
A voice that laughs, and curly hair.

Myron Crawford

He has his gal and his guitar;
Now all he needs is gas in car.

John Linebaugh

With Texas girls he likes to go,
But they all tell him no! no! no!

Roger Cowley

His vocal cords are priceless pearls,
He says, "I am God's gift to girls."

Lorna Johnson

Girls' basketball is her best game;
She guards them all, fast, wild or tame.

Seniors

Julia Ann Warnick

For this girl's tongue is never still;
Of talk she never gets her fill.

David Radmall

In school old Dave is just a scream,
For all he does in school is dream.

Kent Boyer

Oh, Kent knows all there
is to know;
First chance you get, just
ask him so.

Charlyn Thorne

She cheers her way through
school each day,
And pushes studies far
away.

Douglas Johnson

What? Have you heard of
this boy's ride?
In Lindon's cop he found his
guide.

Darlene Case

In our school we have a
"Case"
Who to her classes she must
race.

Claudia Woolsten

Whatever other people
think,
I'll set at Naught,
What thought I sink!

Royce Walker

A Thespian prexy is this kid;
He never, never flips his lid.

Norma Jeanne Warnick

Between school plays,
homework and fret,
Our Norma's in an awful
sweat.

Lue Ann Winn

The way that this girl does
the bop,
She's sure to reach the
very top.

Tommy Seale

A Texas drawl, a friend
is he.
The girls all sigh and cry,
"Step me."

Bill Jacob

For 'rassle, Bill is really
great;
In '54 he went to state.

Seniors

Clark Ostergaard

Oh, hear how all those bones do crackle,
For here comes Clark; he's playing tackle.

Larry Sorenson

"Come, honey, will you marry me?"
She said, "You are but teasing me."

Terry Marchbanks

We see herewith an earnest scholar!
Opps! Wrong boy! He just don't foller.

Nancy Farley

She's up and down and everywhere;
So gay she lives without a care.

Donald Anderson

We watch our Donald strut on stage;
We're sure he'll act through all his days.

Jean Bell

We hear the tingling of the "Bell".
So soft, so shy we cannot tell.

Robert Gardiner

This boy has one old souped up car;
When you take off you feel each jar.

Tom Atkinson

Old Tom is one who loves to cat.
They say his "home" is on the flat.

Keith Makin

"Ole Lank" is this guy's middle name;
He thinks to flirt is his best game.

THIS WAS THE BEGINNING OF A WONDERFUL FOOTBALL SEASON.

On one of the first days of practice Coach Ned Alger said to his Co-captains, Jay Johnson and Paul Anderson, "Get in and fight, you fellows, and we'll go places this year." So they did — —

Then on the last day of the season in the Ute Stadium and, after Ned and Don had gathered up the odds and ends, each said to the other "Congratulations, Coach."

Vikings Rip Miners 20-14

Pleasant Grove, putting a fast-stepping backfield on display, romped to a 20-14 victory over Bingham Friday, September 9, 1955 in a battle of offenses.

Paul Allen sparked the Grovers' attack by scoring two touchdowns, while Paul Anderson turned in a great job of linebacking for the Vikings.

Pleasant Grove repeatedly went for plenty of yardage on quick-openers of the "T" formation.

Vikings Sweep to 14-0 Victory Over Tiger Eleven

Pleasant Grove Vikings gave Central Utah sports fans an indication of the growing power of the Grover gridiron possibilities as they swept to an easy win over Lincoln Tigers Friday, September 16, 1955 on the Lincoln Field.

It was the second football victory in the history for a P. G. team to win over a Lincoln squad.

Lightening-Fast Vikings Top Wildcats 27-6

After defeating Bingham and Lincoln High Schools on successive weekends, the Pleasant Grove Vikings continue to be one of the hottest football teams in the state as a result of their 27-6 victory over the B. Y. High Wildcats Friday night, September 23, 1955.

Vikings Grab 35-0 Victory

Scoring 21 points in the first quarter, Pleasant Grove junior varsity defeated Juab varsity 35-0 at Pleasant Grove Thursday, October 27, 1955.

The Vikings were led to victory by Gene Carson, who scored two touchdowns. Gary Fordham and Kay Giles also scored touchdowns for P. G.

Dave Price made three conversions and Fordham 2.

Pleasant Grove Rolls to 21-0 Victory Over Pioneers

In a game filled with penalties and fumbles on both sides, the Pleasant Grove Vikings took the measure of a promising Lehi team 21-0 Friday, September 30, 1955 to chalk up a first league victory.

The margin of victory rested in the charging Viking line, the fast running of the P. G. backs—Hal Lewis, Paul Allen, and Jim Thornton—and the passing of quarterback Jay Johnson, who hit his man time after time for timely gains.

Pleasant Grove Grid Team Defeats Wildcats, 26 to 6

The Pleasant Grove Vikings, paced by the sensational running of Paul Allen, romped to a one-sided victory over Brigham Young High Wildcats Wednesday October 12, 1955 in an official Division 1 clash on the BYU football field.

Earlier in the season the Grovers showed their claws by beating Coach Grant Bushman's Wildcats 27 to 6 in a preseason practice encounter. Wednesday's game was a league affair and left the Vikings undefeated in prep school play to date.

Vikings Down Cavemen 27-12, Near Division 1 Grid Championship

Coach Ned Alger and his Pleasant Grove Vikings made football history Thursday, October 20, as they downed American Fork Cavemen 27-12.

The Grovers started their scoring antics so rapidly that it completely threw the Forkers off their stride and they failed to show anything of their traditional prowess until late in the game when Coach Alger had permitted his Viking first stringers to cool off.

The game was played in perfect football weather and a large crowd of almost equally divided partisan spectators cheered their teams on in a hard fought and at times sensational battle between two teams keyed for the contest.

The win for the Vikings pretty well sewed up the Division 1 title and put them in the favorite role for the Region 3 Championship. They will play the top team of the Class B group in the Division 2 league with a fine chance of crowding their way into the state playoffs.

Vikings Top Devils 13-0 To Grab Title

A pair of 30 yard runs closed the football season for Springville as Pleasant Grove took advantage of two Springville defense lapses to grind out a 13-0 win on a neutral Lehi gridiron, and earn the right to play Millard in the State Class B semifinals next week.

Pleasant Grove ended the season as Division 1 champs and Springville emerged Division 2 B school kingpin in the newly reorganized Region 3, during the regular play.

Pleasant Grove's first score came in the opening quarter by halfback Hal Lewis and Allen ran the other one over in the third period.

"The Horse" showed Springville that it had to do more than just ride his neck before he would stop dodging, twisting and running over players.

But if Allen was a show, he was just the center of a three-ring circus, for at his sides were a couple of halfbacks who kept Springville guessing as to who had the ball. These were speedy Hal Lewis and Jim Thornton, powerful left half, who alternated with Allen in plunging through the line.

Vikings Defeat Eagles 21-0, Gain Spot in Finals

Those amazing Vikings from Pleasant Grove High School—a Cinderella football team if there ever was one—did it again!

Despite the predictions of experts throughout the state, they exploded with dramatic suddenness three times to defeat Millard High School—an aggregation steeped in football tradition—by a 21-0 score.

The game, played on the Pleasant Grove field, proved to be a sensational exhibition of running on the part of Paul Allen, speedy Viking back.

But it was more than a victory for Allen; it was a triumph for Hal Lewis, who did some running himself in addition to his more than adequate defensive work; and a glorious win for co-captain Jay Johnson, heady little quarterback, Jim Thornton, blocking back, and Gene Carson, who stopped a Millard rally cold with a sensational interception on his own one yard line.

It was a wonderful victory for Paul Anderson, guard and co-captain—as fine a linesman and place kicker as you might run across in high school anywhere.

It was a triumph for his fellow linesman, Clark Ostergaard,

Richard Peterson, John Richins, Dan Buckner, Bill Trimble, and Jerry Harmer.

It was a happy win for the rest of the boys of the Viking squad—those who played and those who warmed the bench.

It became a satisfying win for Ned Alger, a coach in his second year, and Don Crump, his assistant, only one year older in the coaching game.

Best of all the win gave the Vikings a chance to enter the state football finals—the first time in the history of the school. So finally it became a Pleasant Grove High School victory.

The Vikings gained their first touchdown when quarterback Johnson pitched out to Allen on the Eagle 27, and the speedy back thrilled the crowd with a sprint down the sidelines for the score. Anderson placed the ball between the uprights for the extra point.

The game ended with the ball on the Viking 12-yard marker after Stevens carried the pigskin for 45 yards after a short flat pass from Palmer.

Just as the sun went off the sun came from out of the day-long overcast to shine on a swirling mob of happy P. G. students who rushed out on the field to greet their victorious team.

Pleasant Grove Wins State Class B Football Championship

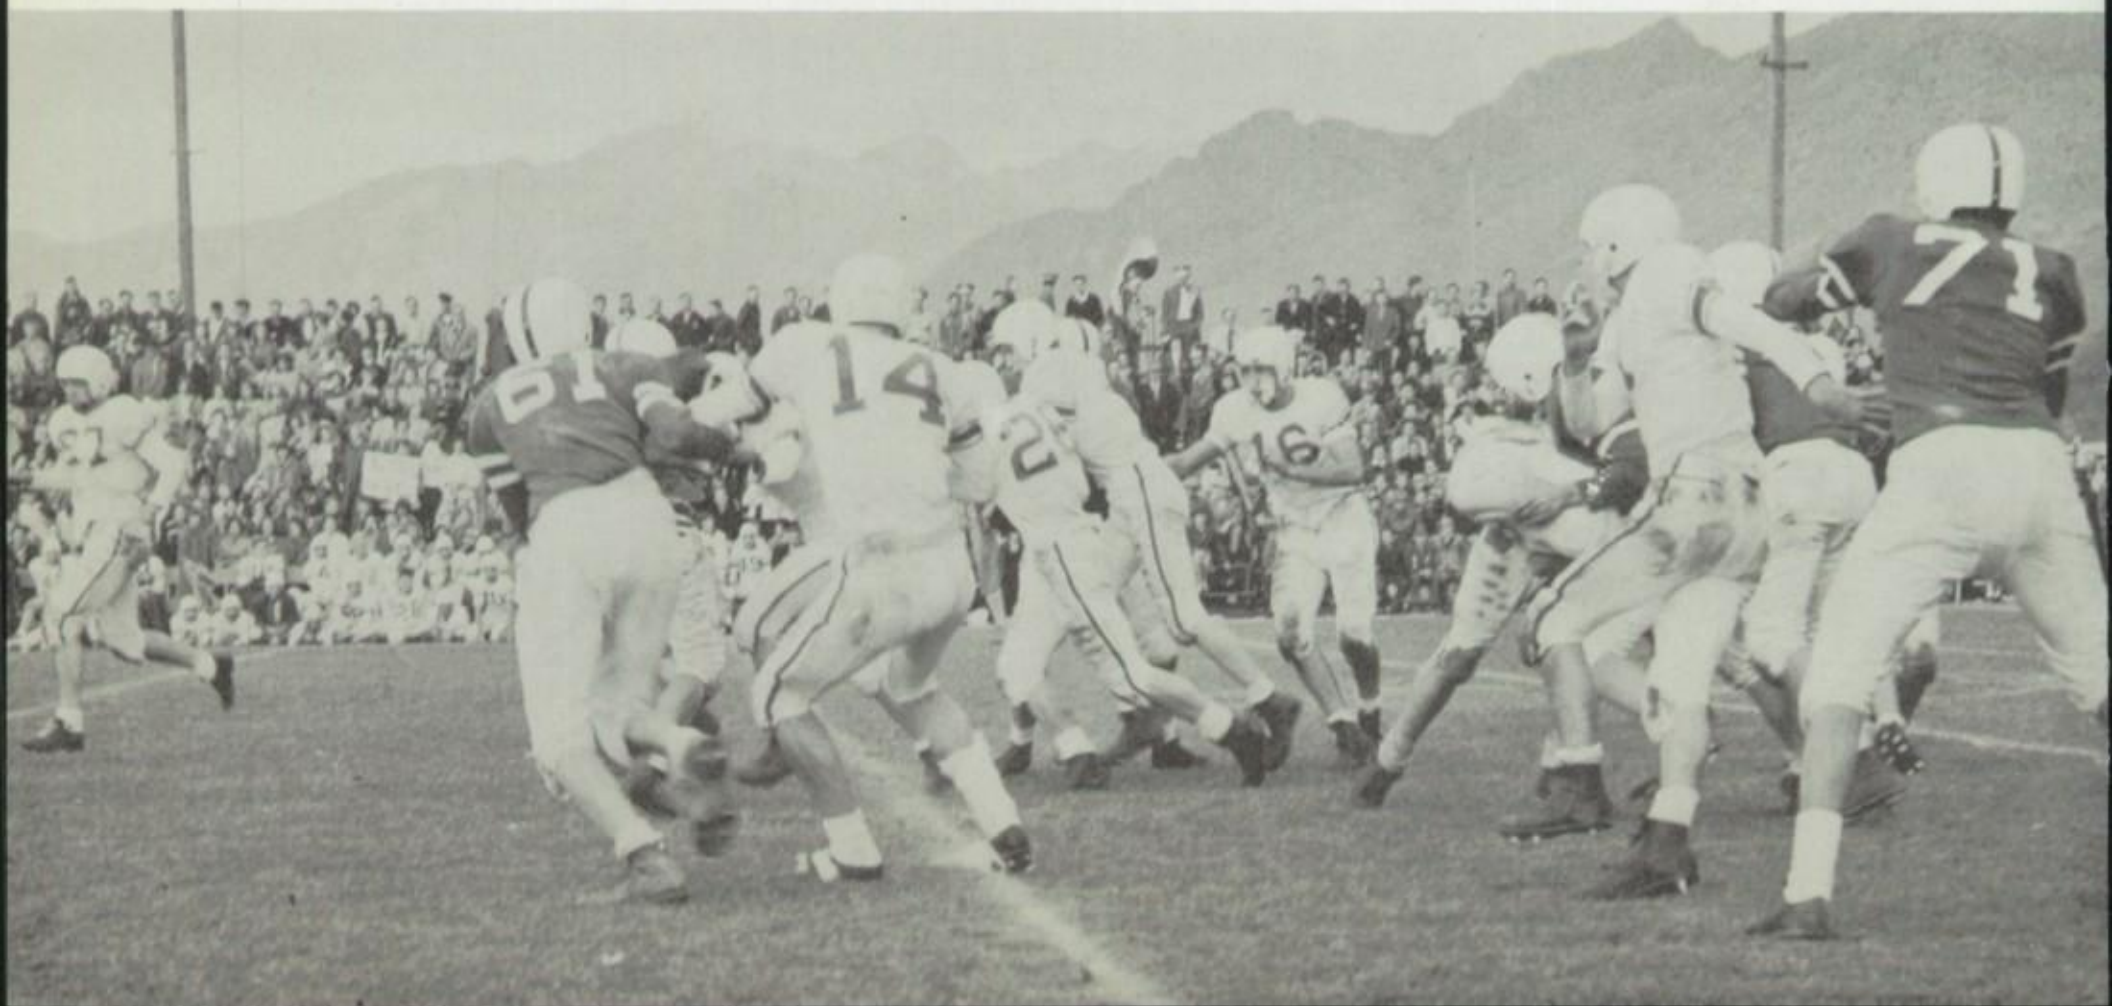

SALT LAKE CITY — Nyle Shumway, Pleasant Grove tackle, had his moment of glory in the University of Utah Stadium Saturday when he scooped up a loose ball on the North Summit 20-yard line and scooted for a touchdown to give the Vikings a 6-2 victory and the 1955 Utah State B Football Championship.

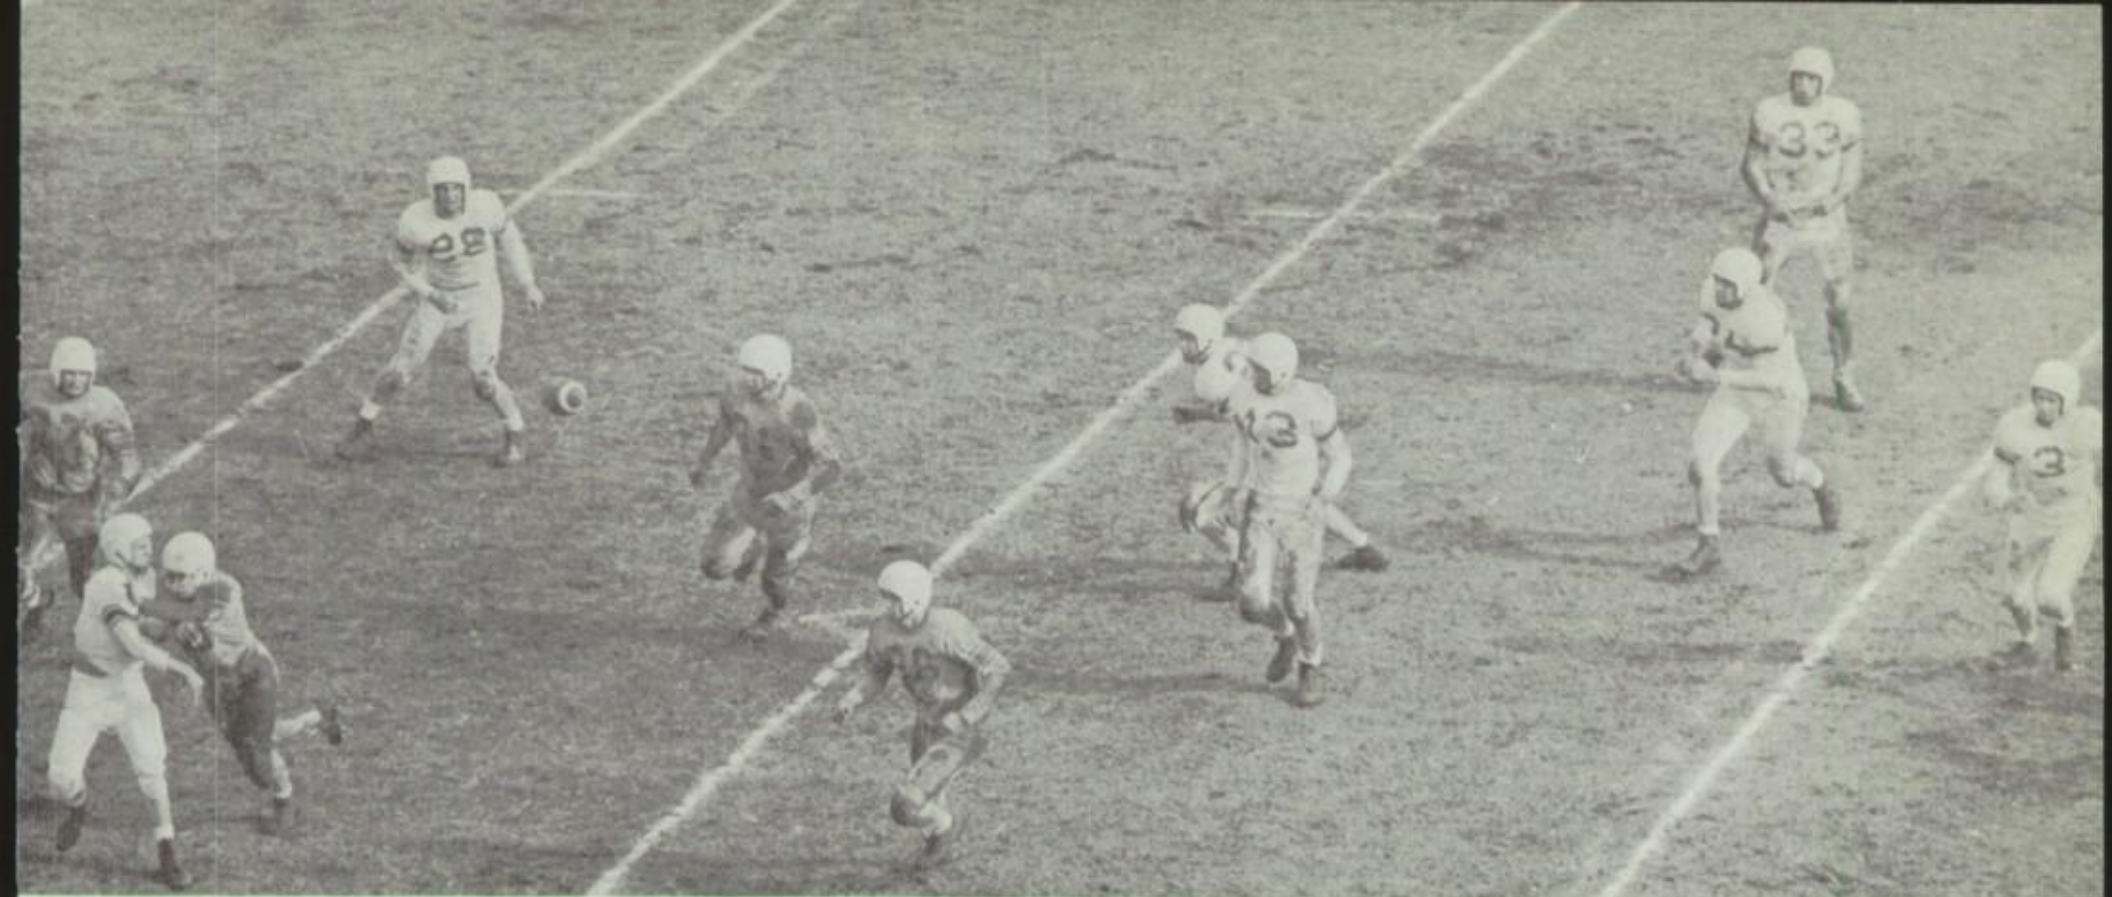

Shumway scored in the third quarter soon after the P.G. gridgers gave two points to the North Summit Braves on a safety, making each team's score unusual.

The play which netted the Braves the 2 points started on the Viking 1 yard line. Pleasant Grove had been penalized to that point for holding during a run-back of a North Summit punt. Dan Buckner, Viking end, made an attempt to kick on first down, but the ball struck the back of a teammate and was deflected into the end zone where one of the P.G. gridgers fell on it for the North Summit safety.

The Braves built their defense around the idea of stopping Paul Allen, speedy Sophomore P.G. back and they had some measure of success—Allen did find it hard to get away for many long runs, but the other P.G. backs, Jay Johnson, Hal Lewis, and Jim Thornton did shake loose. Lewis, especially ran with the pigskin like a scared jackrabbit.

The Vikings threatened to score on the first series of plays after Dick Saxton, North Summit quarter, kicked off to start the game. Bill Trimble, P.G. end, took the ball on his own 32 and returned to the 42.

Thornton carried to the P.G. 49, then on a pitchout Allen lugged it to the North Summit 24 around right end, for the initial Viking first down.

Allen was held for no gain when he attempted to go through center on the next play. Then after an incomplete pass Johnson hit Buckner on the 14 to score a second consecutive Viking first down.

P.G. fumbled on the next play to end the scoring threat.

Braves Move

The Braves then proceeded to score a couple of first downs, but their offensive thrust led by their great fullback, Eddie Jensen, and halfbacks, Don Judd and Gary Jones, also bogged down. The Vikings took over on a punt on their own 22. The P.G. team was able to move the ball only 3 yards on two running plays, then took to the air only to have the pass intercepted and run to the P.G. 30.

North Summit took over on what nearly amounted to a successful touchdown march. It was Jensen on nearly every play through the line. The Vikings, however showed their mettle and held on their own 5.

Pleasant Grove again took over on their own 26 after North Summit failed to gain on four downs.

Lewis slipped through left tackle to carry the pigskin to the Braves' 22 yard line. Trimble, on an end around play then carried to the 14, but the gain was nullified by the P.G. penalty. Johnson made a pass attempt but was downed on the North Summit 46. Trimble tried a long pass which was intercepted by North Summit.

The Braves kicked after failing to gain. Lewis returned the ball to the Braves' 46-yard line. The Vikings gained 9 yards on three plays but failed to pick up the extra yard when they tried to run on fourth down.

The P.G. boys ran the ball back to their own 24 and punted just before the end of the first half.

Paul Anderson, Pleasant Grove guard, kicked to the Braves' 25 yard line to begin the second half. North Summit picked up two first downs to take them to the P.G. 44. They were then forced to kick to Allen on the 5 yard marker. Allen returned to the 11. The ball was placed on the Viking 1 yard line after a penalty and here Buckner made his ill-fated punt which resulted in the 2 points for the North Summit School.

Anderson kicked to the Braves' 20. The North Summit quarterback, Ferris Lynn, tried a pass which was intercepted by Lewis. P. G. elected to kick on third down. The ball was returned from the Summit 20 to the 27.

On first down Lynn was then hit hard by a host of P.G. linemen on an attempted pass. The pigskin squirted through his fingers, Shumway grabbed it and was over for the T.D. before the astonished fans and players could understand what had happened. Anderson's try for conversion failed.

Braves Pass

North Summit took to the air during the latter part of the fourth quarter in a desperate attempt to pull the game out of the fire. However, the P.G. team came up with a fine defense to stop the Braves passing attempts.

The game ended with the Vikings in possession at midfield.

And the next Monday we all come to school. Everyone was happy. Boy! what an assembly! hours long — everyone presented everyone with something. The cheerleaders presented the captains a cake with a little football on top, and they took Ned's old lucky shirt and presented it to Don for the basketball season.

Mr. Rogers became generous with Mr. Belliston's trousers — he presented them to Nyle Shumway, the HERO of the big game.

Then after talks by a whole host of former P. G. students—and some famous ones too—like President A. Ray Olpin, Mr. Dan Peterson presented the Region Three Award, and then Mr. Paul Walker presented the State Award and we were officially declared **STATE "B" FOOTBALL CHAMPS.**

The play quickly develops as one of the banker's daughters—the youngest of three—has been very much impressed by her father's exhortations. She has further decided that her own true fulfillment can best be realized by going out for the football team.

Thespian Play

Steve: "Don't you remember darling—that first day? I told you—when you're scared—your eyes turn green?"

Dr. Bannister: "A little slow—but the sedation would account for that."

Perry: Edith, you will take this gun. You will go out on the parapet. If she tries to run—you will see that she goes over the cliff, not down the stairs. Understand?

Perry: "There is no sign of what happened—or mark on Vicki's body when they find her—excepting the marks of the fall. The verdict is suicide."

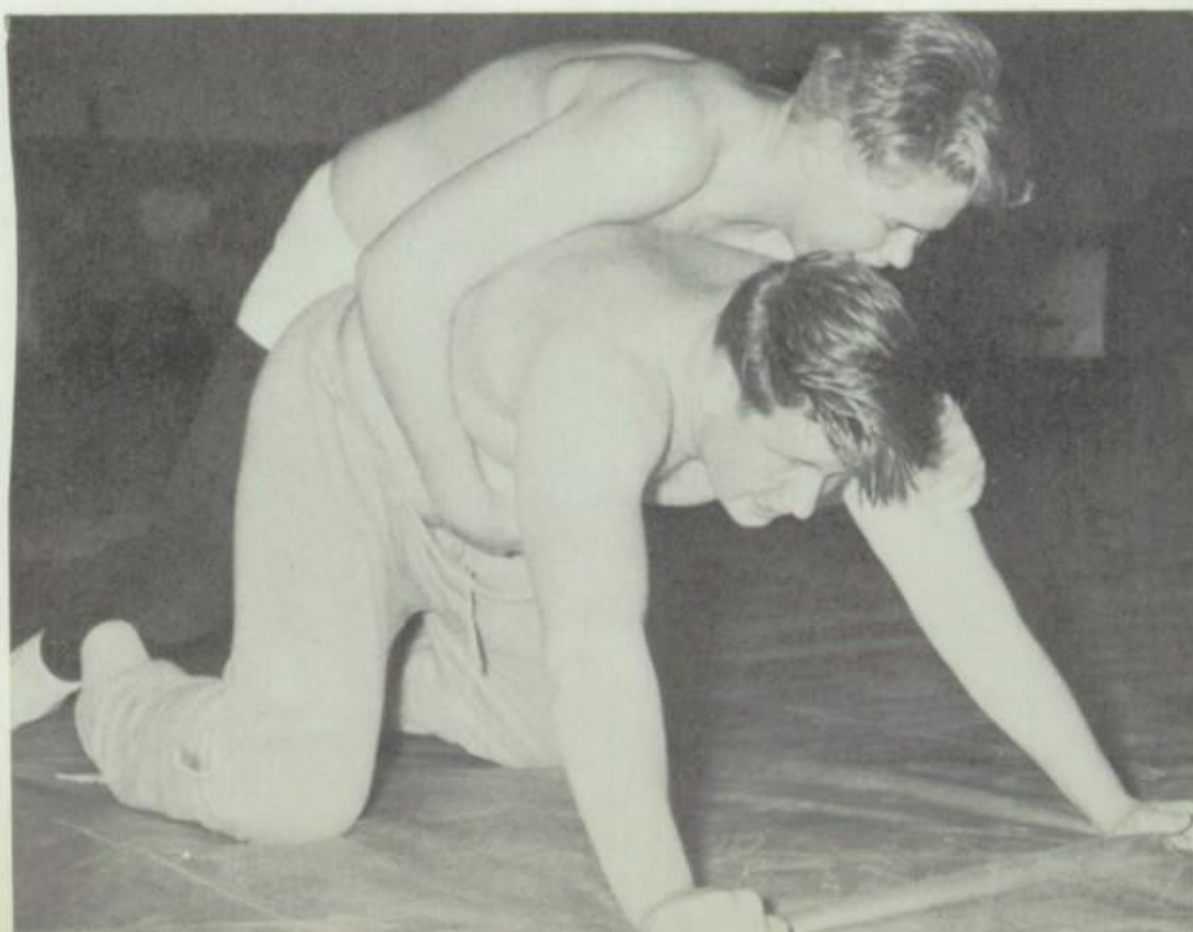

Edith turns the tables—and the gun—on Perry.

Hi Darrell,
I've been thinking about you & I've really enjoyed having some classes with you. I think you're a swell kid & I wish you all the luck & success in the world. You'll need it!
